

TIC TAC TOE

Tic Tac Toe is an easy strategy game for 2 players. You have 9 moves to win or lose the game.

Let's start

Choose a symbol respectively a color. Your opponent will get the other one.

Game objective

The main objective is to place 3 of your symbols in a horizontal, vertical or diagonal row. Try to block your opponent from getting 3 in a row!

Gameplay

You play in turns.

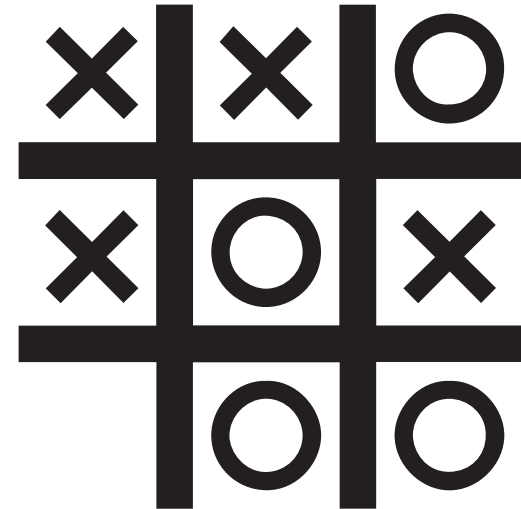

Tap/Click on an empty field to place one of your symbols. Then your opponent will place one of their symbols, too. Try to get 3 symbols in a row and block your opponent to win.

End of game

The player wins, who gets 3 symbols in a row. When all fields are used without a row of 3, the game ends as draw.

Revenge

The player, who lost the game, can make the first move of the next game.
